Dear Families, Friends, and Supporters,

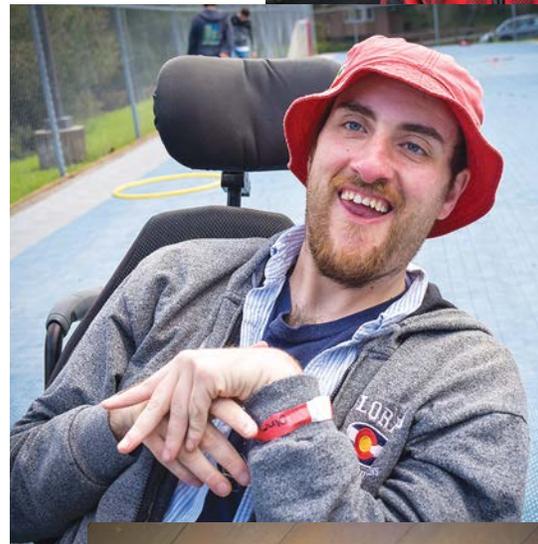

Via Services is proud to present the 2019-2020 Via West Fall, Winter, and Spring Program Registration Catalog. We are excited to let you know about some of our new offerings this upcoming year as there is truly something for everyone each month.

Our Travel Camps have expanded to include even more locations throughout California for both Via West and Altitude participants. Our extended ages for our adult sessions (which are now 16 and up) have been such a success, that we have decided to increase our Altitude sessions to include up to age 28. Our Adventures in Life Planning and Adventures in Life Readiness are set to launch this summer, and those will continue through the school year. Lastly, our day programs will continue to be offered on both Saturdays and Sundays so that those participants not yet ready for overnights will get to enjoy even more of our fun and thematic activities.

At Via West and Altitude, we welcome everyone with open arms. We have a scholarship fund available for those who cannot afford our private pay or regional center (RC) supplemental daily rates. We are so fortunate to work with you, our families, and we hope that you continue to make Via your home away from home.

Thank you for continuing to spread the word about Via West Campus. Without you, we would be the Bay Area's best kept secret! See you all very soon!

Scott Webb  
Director, Via West and Altitude

### Traditional Day & Overnight Programs (Kids, Teens, and Young Adults)

Traditional day and overnight programs provide independent living skills and executive functioning, all while having so much fun. Activities will be themed to each weekend and will include culinary arts — including farm-to-table education, hiking, music, sports and physical fitness, dramatic arts, creative arts, and more. Check-in is from 5:00-6:00pm on Friday, and check-out is from 1:00-3:00pm on Sunday. Day program is available on Saturday from 9:00am-8:00pm and on Sunday from 9:00am-3:00pm.

### Travel Camp (Young Adults and Adults)

Travel camps give participants the chance to spend time exploring their own local community and beyond by experiencing overnight trips in a safe, nurturing environment. **Check-in is from 9:00-10:00am on the first day and check-out is from 5:00-6:00pm on the last day.** These opportunities are tailored to fit the needs of 3:1 participants. Those with a 2:1 ratio may be evaluated on a case-by-case basis to determine eligibility. There is no option for day program or for those requiring a 1:1 ratio.

### Adventures in Life Readiness

*Adventures in Life Readiness* programs are for 3:1 adults, ages 16+ with developmental and/or physical disabilities who are ready to master relevant knowledge, skills, and attitudes for working at Via West in preparation for community work settings. Participants will assist with camp programming and work on vocational scenarios, social norms, and executive functioning and household management skills. Check-in is from 5:00-6:00pm on Friday, and check-out is from 1:00-3:00pm on Sunday. Participants must be approved in order to enroll.

### Altitude

Altitude is for participants who can function in a 3:1 ratio, have conversational language skills, are not currently struggling with any significant behavioral challenges, and are typically in a main stream classroom setting. Check-in is at 5:00pm on Friday, and check-out is at 3:00pm on Sunday. Day program is available on Saturday from 9:00am-8:00pm and on Sunday from 9:00am-3:00pm except during Travel Camp.

### Adventures in Life Planning

*Adventures in Life Planning* programs are for Altitude participants, ages 18–28, who are ready to learn valuable organizational and mentorship skills. Participants will practice social skill nuances, build executive functioning independence, train in career readiness skills, and assist with camp programming, including Altitude’s unique economy. Check-in is at 5:00pm on Friday, and check-out is at 3:00pm on Sunday. Participants must be approved in order to enroll.

### Golf Sports Clinic

Our golf clinics started with a grant from the National Alliance for Accessible Golf, and we are pleased to be continuing them this year with a 6-week clinic. Participation and teamwork will be emphasized. The point of this offering is to build everyone’s ability at a pace they are comfortable with and to the level that they are capable of. These programs are offered to all ages and ratios. Lessons are offered at 4:00pm. We would like everyone to take advantage of this wonderful opportunity, and if transportation is an issue, please contact Via West Admissions at 408-243-7861, ext. 214 to arrange.

### Science Camp

Special needs science camps provide an opportunity for students from special needs schools/organizations to have fun while gaining valuable knowledge and hands-on experience from interactive and sensory driven learning. Students will partake in field days and overnight camp excursions and enjoy activities like horseback riding, discovery walks, culinary rotations, creek exploration, night hikes, dances, and more. Please contact the main office at 408-243-7861 ext. 218 to learn more.

**REMEMBER THE TITANS**

September 13-15, 2019 (FRI-SUN)

We are the Titans, the Mighty Mighty Titans! Celebrating this classic football film is a great way to kick off the fall season! After heading off campus to watch the number 24 ranked Cal Bears take on the North Texas Mean Green, we'll run some practice scrimmages and then cool off in the pool before it closes for the season. Everyone will bake some delicious calzones as well as homemade football brownies. We'll have some fun learning the famous Titans warm up song and dance, and the weekend will end with a spectacular football competition. Everyone will take home sports scrapbooks, footballs, tie-dye shirts, and pennants.

**FEAR FACTOR**

October 4-6, 2019 (FRI-SUN)

It's Halloween time at Via West, and it's time to see if fear is a factor for you! A haunted campfire on Friday sets the tone for the weekend. Do you have what it takes to reach your hand into a box and guess what's inside? Or to find the treasures hidden at the bottom of the (fake) snake pit? Can you make your way through the spooky obstacle course on your first try? After picking out the creepiest pumpkin during our field trip to the pumpkin patch, you can spend time carving the scariest jack-o-lantern while eating some worm-infested black spaghetti salad! We will also make and take home spooky snot slime, Fear Factor collages, and eyeball crafts.

**HEADIN' TO SACTOWN TRAVEL CAMP**

November 8-10, 2019 (FRI-SUN)

The capital of California is such a fun and amazing city, and we're going to explore it all during this special travel camp to Sactown! We'll start the weekend with a stroll through the Sacramento Zoo — how many of the 500 animals will we get to encounter? Next, let's learn about California's rich history at the California Museum, and then watch railroad history come to life at the California Railroad Museum. We'll also take in the views from the Tower Bridge and spend plenty of time exploring the Old Sacramento Waterfront with all of its dining, entertainment, live music, and historical attractions.

**FRIENDSGIVING**

**ADVENTURES IN LIFE READINESS**

November 22-24, 2019 (FRI-SUN)

I'll be there for you during this extra special F•R•E•N•D•S-giving weekend. We'll take acting classes with Joey, dig for dinosaur fossils with Ross, and learn how to tell funny jokes with Chandler. Rachel will show us how to make her traditional English trifle (we'll leave the beef sautéed with peas and onions out of this one), and Phoebe will teach us how to sing and perform Smelly Cat. After some horseback riding and the Geller Cup football game, we'll make an amazing Thanksgiving dinner with some help from Monica. Everyone will make and take home Central Perk mugs, Geller Cup trophies, and a F•R•E•N•D•S recipe book. We'll also take a field trip to West Valley Community Services to learn the importance of giving back to the community.

**HOME FOR THE HOLIDAYS**

December 13-15, 2019 (FRI-SUN)

It's the most wonderful time of the year, and we want to celebrate it with you! Join us for our annual Operation Snowflake weekend, sponsored by the Cupertino Rotary. We'll decorate and exchange cookies, stuff stockings for a shelter in need, make wreaths, decorate gingerbread houses, sip on comforting hot cocoa, listen to a live band, and decorate a tree that is hand delivered by local firefighters. Everyone will make and take home a winter forest, snowflakes, sparkling icicles, and handcrafted ornaments. A visit and presents from Santa Claus will round out this festive weekend.

**UNIVERSAL STUDIOS TRAVEL CAMP**

We're heading to "the entertainment capital of LA," Universal Studios Hollywood! After checking in to our hotel for the weekend, we'll go explore the Hollywood Walk of Fame, the Dolby (formerly the Kodak) Theatre, and more. On Saturday, it's time for Universal Studios — home to the *Despicable Me* minions, *Jurassic Park* dinos, and of course, *The Wizarding World of Harry Potter*! Sunday Funday will be spent on

the beach and at the famous Santa Monica Pier. Monday morning will begin with a fancy breakfast before we head back to Via West Campus.

**THE NAME IS BOND, JAMES BOND**

**ADVENTURES IN LIFE READINESS**

February 28-March 1, 2020 (FRI-SUN)

The name is Bond. James Bond. MI6 has a mission for us, so grab your passports and get ready to jet off! We'll go on a scavenger hunt for henchmen through campus to try and find Goldfinger, Oddjob, and Le Chiffre before they can carry out their diabolical plans. Everyone will make and take home passports, MI6 badges, and Spectre rings before competing in a daring sports obstacle. Campus will transform into Monte Carlo for a casino night complete with fancy outfits, homemade corsages and boutonnieres, delicious hors d'oeuvres, and shaken, not stirred mocktails.

Young Adults and Adults ages 16+

**VIA WEST DERBY STYLE**

March 27-29, 2020 (FRI-SUN)

It's the Run for the Roses — The Most Exciting Two Minutes of Sports. That's right! It's Kentucky Derby time! A field trip to Golden Gate Fields for a local horse race kicks off this action-packed weekend. Back at Via West, we'll ride horses and host our own Triple Crown competition before throwing a Pegasus Parade through campus. Traditions are what make the Derby the Derby, so everyone will make their own fancy Derby hats, mock Mint Juleps, Kentucky Derby pie, and garland of roses.

**Field Trip: Golden Gate Fields**

Young Adults and Adults ages 16+

**BODEGA BAY TRAVEL CAMP**

April 17-19, 2020 (FRI-SUN)

Break out your sunnies and your sandals, because we're heading to Bodega Bay! This travel camp is all about exploring the coast. Plenty of time will be spent on the beach soaking up the sun and watching the seals frolic in the water. We'll also go clamming, eat some freshly caught seafood, and visit the site where *The Birds* was filmed, one of Hitchcock's most famous movies! Shopping, hiking, bird watching, and a fun-filled trip to the Charles M. Schulz Museum to learn about the Peanuts gang will round out the weekend.

Young Adults and Adults ages 16+

**LOST CITY OF ATLANTIS**

**ADVENTURES IN LIFE READINESS**

May 15-17, 2020 (FRI-SUN)

The Via West pool is open for the summer and we're going on an epic adventure to discover the Lost City of Atlantis! We'll scavenge for clues throughout campus and dive for sunken artifacts in the pool. Creatures from the deep will become our friends as we make paper plate sharks, mermaid tails, ocean slime, and deep sea art. Did you know that the legend of Atlantis dates back all the way to Plato and Ancient Greece? We'll learn about the history of the lost city and then have some fun watching Disney's *Atlantis* during our movie night.

Join Mowgli, Baloo, Bagheera, and more to learn about the bare necessities and to forget your worries and your strife. Kaa will lead us on a jungle animal hunt through campus, but watch out because he loves to play tricks! Horseback riding awaits us after spending some time in the kitchen making monkey banana pudding. The jungle is hot, so we'll cool off in the Via West pool before it closes for the season and then head to Jungle Island for our field trip. Everyone will make and take home jungle-themed rain sticks, snake crafts, jungle party hats, and create-your-own Jungle Books.

**Field Trip: *Jungle Island***

**CAMP TRANSYLVANIA**

**October 25-27, 2019 (FRI-SUN)**

Count Dracula is moving his monsters-only hotel to the heart of Via West Campus. We'll create green blobby slime,

DIY stuffed coffins, and hanging bat crafts. To prepare for Mavis' 118th birthday, we'll cook up some mummy wrapped stuffed peppers and "blood" popsicles. After picking out the best pumpkin during the field trip to the pumpkin patch, you can spend time carving the perfect jack-o-lantern back on campus. The weekend would not be complete without a very special viewing of Hotel Transylvania.

**Field Trip: *Pumpkin Patch***

*Kids, Teens, and Young Adults ages 5-22*

**FROZEN**

**December 6-8, 2019 (FRI-SUN)**

Operation Snowflake is back again and sponsored by the Rotary Club of Cupertino! Feel the magic in the air as campus is transformed with tons of snow for an unforgettable afternoon of sledding, snowman building, caroling, cookie decorating, stocking stuffing, wreath

making, and more! We'll also play pin the nose on Olaf, build an ice castle, and make frozen yogurt bites, stained glass mitten suncatchers, and Olaf snowmen. Santa will also make a very special appearance to deliver gifts and spread holiday cheer to all!

*Kids, Teens, and Young Adults ages 5-22*

**HOW TO TRAIN YOUR DRAGON**

**January 31-February 2, 2020 (FRI-SUN)**

According to Viking lore, there are over 50 different species of dragons in existence. How many of them will we see when dragons take over Via West? Hiccup will give us riding lessons on the sports court, while Toothless leads us on a dragon egg hunt expedition through campus. After a fun-filled field trip to the Children's Discovery Museum, our dragons will be hungry, so we'll make them up some dragon fruit salad and deviled dragon eggs. Everyone will also create dragon piñatas, dragon masks, and Viking helmets.

**Field Trip: Children's Discovery Museum**

*Kids, Teens, and Young Adults ages 5-22*

**DOWN THE RABBIT HOLE**

**February 14-17, 2020 (FRI-MON)**

**SPECIAL PRESIDENT'S DAY RESPITE**

It's time to follow Alice and the White Rabbit down the rabbit hole and into the curiosities of Wonderland...and the CuriOdyssey Museum! The Queen of Hearts has invited us to play a kooky game of croquet, and the Mad Hatter will be hosting a special tea party just for us. Tweedle Dee will lead us on a wacky scavenger hunt, while Tweedle Dum teaches us how to make the Queen's favorite heart-shaped shortbread cookies. After a rousing game of pin the grin on the Cheshire Cat, we'll make Mad Hatter hats, White Rabbit pocket watches, and talking flowers.

**Field Trip: CuriOdyssey Museum**

We'll make our own passports so that we can tour the world, exploring hundreds of species of animals with Dr. Dolittle. Starting with America, we'll visit the Oakland Zoo and then ride horses back on campus. Next stop is Antarctica for penguin feeding, then Africa for a safari scavenger hunt, the Amazon rainforest for monkey tag, and Australia for kangaroo races. We'll also cook and sample delicious appetizers from our world tour, and everyone will make and take home vet stethoscopes, foam hedgehogs, and pipe cleaner crabs.

After an educational field trip to the California Academy of Sciences, we'll learn about all of the different types of weather patterns and make our own ecosystems. Lots of time will be spent in the Via West greenhouse

composting and gardening, and we'll learn about how to save the planet through recycling. Everyone will make and take home hanging planters, suncatchers, recycled newspaper owls, and egg carton turtles.

We'll practice yoga, cook dishes with hidden culinary sayings and riddles, and decode secret messages. After creating our own escape room on campus for practice, we'll take a field trip to try our hands at a local one. Teamwork, trust, and communication will be our key to success for everything this weekend!

## Scholarship money is greatly needed.

***Help someone like David attend Via West! Help a family in need send their child/adult to THEIR favorite weekend of the year.***

Meet David. He has been coming to Via West with the help of scholarships since 2016. His mom writes, "Camp is the best thing to happen to David in a long time. The counselors challenge him and let him be who he is. It's the highlight of his month." Without our scholarship fund, David would not be able to attend his favorite weekend of the year.

Please accept this donation in the amount of \$\_\_\_\_\_.

(Check one)  Please charge this amount to my credit card above  I have enclosed a check in this amount.
