SUMMER PROGRAM DESCRIPTIONS

Traditional Day & Overnight Programs (Adults)

Traditional Day & Overnight Programs (Kids/Teens/Young Adults)

Traditional day and overnight programs provide independent living skills and executive functioning, all while having so much fun. The sessions vary in length and start date, giving participants, parents, and caregivers the opportunity to select programs that match their interests and lifestyles. Activities will be themed to each session and will include cooking, hiking, music, sports, dramatic arts, creative arts, community integration, and more. For overnights, check-in times will be from 10:00am-12:00pm on the first day and check-out times will run from 1:00-3:00pm on the last day. Every session has the option to select day programs which will run from 9:00am-8:00pm every day of the program except for the first day (which will run from 10:00am-8:00pm), and the last day (which will not offer a day program).

Adventures in Leadership

Leadership programs are for 3:1 adults with developmental and/or physical disabilities who are ready to master relevant knowledge, skills, and attitudes for working at Via West in preparation for community work settings while also still enjoying the activities each session has to offer. To enroll in Beginning Adventures in Leadership, participants must have completed at least two summer and/or weekend sessions within the past five years. To enroll in More Adventures in Leadership, participants must have completed at least one of the Beginning Adventures in Leadership programs. Leadership sessions run concurrently with select traditional overnight programs. Check-in times will be from 10:00am-12:00pm on the first day and check-out times will run from 1:00-3:00pm on the last day.

Adaptive Swim Clinic

Our new adaptive swim clinics are for all ages and ratios. Our accessible swim and water safety lessons introduce participants of any age to the water in one of the two newly-renovated Via West pools. We know from experience that some participants dive into the water with abandon, others hesitate at the pool edge, and still others want to master some basic strokes but don't know where to begin. Our lessons accommodate all levels, and are built on the hands-on, kinesthetic experiences that make our programs so successful. Lessons are 1 hour long from 10:00am-11:00am at Via West Campus.

Altitude

Altitude is for participants who can function in a 3:1 or 4:1 ratio, have conversational language skills, are not currently struggling with any significant behavioral challenges, and are typically in a main stream classroom setting. Please contact Kirsten Jensen kjensen@viaservices.org to apply. For Sleep-Away, check-in will be from 9am to 11am on July 13th, and check-out will be from 10am to noon on July 24th. For Mini Altitude, check-in is at 8:00am each morning and check-out is at 6:00pm each evening Monday through Friday.

SLEEP-AWAY

12 day July 13-24, 2016 (WED-SUN)

Altitude offers a 12 day overnight summer camp experience for children with social cognitive challenges including: verbal and nonverbal learning disabilities, ADHD, Asperger's, and high functioning autism. Altitude is a place where participants build social skills, independence, and self-confidence. We offer a fun summer vacation where friendships are developed. With warmth, guidance, and ongoing support, we prepare our participants for the transition to young adulthood, future relationships, and the rest of their lives!

Children entering 5th through 12th grade

MINI ALTITUDE

5 day July 18-22, 2016 (MON-FRI)

Mini Altitude provides participants with an opportunity to engage in the Altitude experience on a smaller scale. Participants will engage in the same activities as our sleep-away participants while building important life-skills in a naturalistic setting. These skills include practicing and developing social skills as well as executive functioning skills and coping strategies.

Transportation

We are so excited to offer transportation to and from the Via West Campus from five separate locations across the Bay Area. All vans will have both a Senior Via West Counselor and Nurse on board. 1:1 participants will have their assigned counselor riding with them. Check-in will occur with both the counseling staff as well as the nursing staff. Special diet information will be given to the nursing staff as well. Remaining payments and paperwork, if any, will need to be rendered at the satellite check-in location. It is very important that parents bring all packing list items as you would if you were bringing the participant to the campus directly. None of the processes will change. It will be the parent/caregiver's responsibility to ensure that the participant is changed and fed as the ride may be up to 90 minutes depending on location and traffic.

We will be providing round trip transportation from San Jose, South San Francisco, Oakland, Santa Cruz, and Salinas. The round trip cost per participant is \$150.00. All pickups for check-in days will be at 10:30 a.m. All drop-offs for check-out days will be at 1:30 p.m. Participants arriving more than 20 minutes after the stated time for check-in will likely miss their pick up van and will need to find other means to reach the campus. There will not be any refunds given for late arrivals. Parents/caregivers arriving more than 20 minutes after the drop-off time at check-out will be charged \$75.00 per hour of waiting time and will have to go to the Via West Campus to pick up their participant.
