SUMMER 2021 SCHEDULE

ALL ABOUT ANIMALS

This visit will be our introduction to the Animal Assisted Happiness Smile Farm. We will have the opportunity to mingle with goats, pigs, sheep, bunnies, mini horses, and many more.

Lunch will take place in the pavilion, and we will learn in depth about two of the most popular animals on the farm, the alpacas, and do some alpaca art.

SAN JOSE—WAY BACK WHEN

It might be Silicon Valley now, but it was orchards and farms for centuries in the past. San Jose History Park will take us back, so we can explore how life was for our South Bay ancestors. We will see how they worked and how they played. We will have our lunch on the picnic tables and then create some leather art of our own to take home.

SILICON VALLEY TECHNOLOGY

Tech - it's all about tech - let's see what makes this place one of the most innovative spots on the planet! What is a microchip? How did the internet start? Many questions will be answered. We will have lunch outdoors at Discovery Meadows Park, and then we will have a fun trivia game and make some tech t-shirts!
