### Overview

Via West offers rustic accommodations perfect for any group to enjoy. Our campus is located in the Cupertino Foothills and is ideal for day or overnight seminars, conferences, and retreats. Via West hosts many community groups at our facility. We are more than happy to serve your group at our beautiful and serene 13 acre campus. All lodges are heated, sleep up to 30 people and feature large common bathrooms and showers. We can accommodate 50-150 people overnight, with fully ADA compliant facilities. Every effort is made to accommodate attendees in all of our buildings and outdoor marvels. The dining hall is centrally located on the grounds.
