Dear Families, Friends, and Supporters,

We are excited to present our 2021-2022 Fall, Winter, and Spring respite brochure. Unfortunately, the Covid-19 pandemic led to Via West Campus being shut down in March 2020. We are eager to return to our in-person programs this September.

Many of you are wondering what camp will look like in a post Covid-19 world. Rest assured that we will continue to follow the guidelines of the CDC, and the Santa Clara County Department of Public Health to maintain the cleanliness of the campus and the safety of our participants and staff. Health, safety, and your peace of mind while your loved ones are entrusted to our care is, and has always been, our highest priority. We will maintain an open line of communication throughout the year and will work closely with you if there are new government mandates or other disruptions to the camp schedule. We will continuously update the website www.viaservices.org as things change.

At Via West, we are always looking for new ways to reinvent our programs. We are excited to be adding in new offerings, including multiple sessions ranging from 3-9 days in length during Ski Week and the continuation of Social Saturdays and Sundays, a program that launches this July. If you are looking for the dates and descriptions for our Altitude program, please visit: www.viaservices.org/services/altitude

Thank you so much for continuing to put your trust in us as we navigate through these difficult times. We are all in this together, and we are working hard to provide the best respite season for you.

Sincerely,

Matt Bell, Executive Director

Check-in is at 11:00am at the specified meetup location, and check-out is at 3:00pm at the specified meetup location.

Travel Camp (Young Adults and Adults)

Travel Camp (Kids, Teens, and Young Adults)

Adventures in Life Readiness

Adventures in Life Readiness programs are for 3:1 participants, ages 16+ with developmental and/or physical disabilities who are ready to master relevant knowledge, skills, and attitudes for working at Via West in preparation for community work settings. Participants will assist with camp programming. They will also be coached on vocational scenarios, practice executive functioning skills, social norms, and household management skills. To enroll, participants must have completed at least two summer and/or weekend sessions within the past five years. These sessions run concurrently with select traditional weekend programs, and there is no day option available. Check-in is from 5:00-6:00pm on Friday, and check-out is from 1:00-3:00pm on Sunday. Participants must be pre-approved in order to enroll.

We’ll “Get’cha Head in the Game” with basketball drills, cheerleading routines, and talent show prep. Everyone will make and take home Sharpay’s cookies, yearbooks, and cheerleading pom poms. THE WITCHES

October 15-17, 2021 (FRI-SUN)

It’s Halloween and that means that the witches are out in full force! In order to stop them, we’ll first have to learn how to recognize a witch during our scavenger hunt — watch out for purple eyes! After our field trip to the pumpkin patch, everyone will carve their jack-o-lanterns and spend some time in the kitchen making witch’s brew and finger sandwiches. Magic potions, witch hats, and spooky

succulents will also be made, and we’ll end our witchy weekend with a creepy carnival.

THE FIRST THANKSGIVING

ADVENTURES IN LIFE READINESS

November 19-21, 2021 (FRI-SUN)

We give thanks every year, but this year, we're going back in time to discover the very first Thanksgiving. We'll make cornucopias, Mayflower paper plate boats, and gratitude pumpkins, and we'll cook a delicious Thanksgiving feast, complete with stuffing, turkey, mashed potatoes, and pumpkin pie. Some modern traditions are also a must — a Thanksgiving parade through campus and a rousing game of football will complete our Thanksgiving celebration!

ELF

December 10-12, 2021 (FRI-SUN)

Buddy the Elf, everyone's favorite holiday friend, is here to help us celebrate our annual Operation Snowflake weekend, sponsored by the Cupertino Rotary. We'll decorate and exchange cookies, stuff stockings for a shelter in need, make wreaths, decorate gingerbread houses, sip on comforting hot cocoa, listen to a live band, and decorate a tree that is hand delivered by local firefighters. We'll make Buddy's favorite spaghetti along with ornaments, snow globes, and snow angels to take home. Our festive fun wouldn't be complete without a visit and presents from Santa Claus.

SUNNY SAN DIEGO TRAVEL CAMP

January 14-17, 2022 (FRI-MON)

Kick back and enjoy the long weekend with a trip to sunny San Diego! It may be a bit chilly for a swim, but we will still spend plenty of time strolling along the beach and having fun at the Mission Beach Boardwalk. A trip down south would be incomplete without spending the day in one of the largest homes to animals in the world — the San Diego Zoo. If you think we can't top that, then how about a day exploring Sea World? We'll also make sure to squeeze in some souvenir shopping, sightseeing, and some delicious meals.

DECADES OF DISNEY

ADVENTURES IN LIFE READINESS

March 4-6, 2022 (FRI-SUN)

From *Snow White* in 1937 to *Peter Pan* in 1953 to the original *Lion King* in 1994, we are celebrating all things classic Disney. A traditional character breakfast, old-school Mousekersize, and a *Robin Hood*-style archery competition will kick off the festivities. We'll meet real life versions of our favorite furry sidekicks in the petting zoo. We'll plant enchanted roses for *Beauty and the Beast*, make mini-fairy rock gardens for Tinker Bell, and decorate seashell picture frames for Ariel. Recreations of some Disney Parks recipes will satisfy our cravings: New Orleans Square chicken gumbo and Mickey Mouse sugar cookies — delicious!

horseback riding, but we'll also make tropical smoothies, tiki masks, grass skirts, and rainbow art. After crafting some DIY ukuleles, we'll play and sing a few classic Hawaiian tunes. An old fashioned luau, petting zoo, seashell scavenger hunt, and hula races will round out the session.

THE AMAZING RACE

April 22-24, 2022 (FRI-SUN)

It's time for some friendly rivalry as we work in teams to accumulate points throughout the weekend in a mad race around the world! Competitions include a tricky obstacle course, eating challenging foods from other countries, building a bridge out of boxes and sticks, and tackling some new steps in the dance contest. Solve animal clues to win the scavenger hunt on our field trip to the Oakland Zoo, and then make world maps, layover lemon bars, and passports to bring home.

We'll make cucumber boats, tornados in a jar, sea monster crafts, and sunken ship dioramas. Will our scavenger hunt to search for lost ships and planes help solve the mysteries of the Bermuda Triangle? There's only one way to find out! REGISTRATION PROCEDURES

Registration is now open for all fall, winter, and spring sessions. We are not restricting any spaces in our regular programs, however we do still have a maximum capacity. **Spaces are available on a first-come, first-served basis with deposit to secure reservation. We strongly encourage you to register online by going to www.viaservices.org/services/via-west.** However, if necessary, we will accept your registration and deposit by phone at 408-243-7861, ext. 214. We encourage attendance at multiple sessions as our enhanced thematic programming will be very different each session.

There is a registration deposit of \$120 required per session (\$75 registration deposit per Social Saturday or Social Sunday). Please note that your registration will not be processed without the \$120 registration deposit (per session). The deposit will be applied to the balance of your program, regardless of payment method.

In planning for each participant's stay at Via West, costs are incurred in advance. **In the case of a government mandated shutdown due to Covid-19, you will be able to receive a full refund. Otherwise, our standard cancellation policy applies which states that you must cancel within 31 days of your scheduled session, otherwise, for whatever the cancellation reason, Via will retain your registration deposit to help cover lost expenses. All other payments made will be refunded.**

In order for your participant to be marked down as Paid in Full, we require:

1. The payment of the Private Pay cost or the Supplemental Daily Rate (SDR) in full.

If we do not have the correct, accurate Authorization to Purchase Services on the day you check-in your participant, we will be reinstating our HOLD policy by kindly asking that you leave a credit card number or check with us in case the regional center does not authorize/update and sends us the authorization(s). The HOLD payment type will be in the amount of the Private Pay due, and it must be submitted in order for your participant to attend the session. You will then be allowed 1 week to attempt to get the session funds authorized. If they are not authorized within the 1 week hold period, we will notify you that we will be charging your card or depositing your check for the session fees at the Private Pay rate.

2. An Authorization to Purchase Services to be sent to the Via office **before** the start date of the session.

Two Authorizations to Purchase Services are required if your participant is in a 1:1 or 2:1 ratio — one for the Camping Services, and one for Program Support. For the day programs, 10 hours is required or 4 hours for Social Saturdays and Sundays programs, in addition to the Program Support authorization. Regional Centers will no longer approve Authorization to Purchase Services after the services have been provided. You will be responsible for the amount due at the Private Pay rates if authorization(s) are not approved or accurate upon check-in.

RATES INFORMATION

The rates listed underneath each ratio are the Private Pay costs. In addition to what is funded by the regional center, regardless of ratio, there is a Supplemental Daily Rate (SDR) that is mandatory and paid in full by the parent/caregiver listed underneath the SDR column.
