

# SUMMER 2021 SCHEDULE

## ANIMALS AND THE CREATIVE ARTS

Horses are one of the most depicted animals in all art forms. This visit will concentrate on the large animal area - the mini horses, alpacas, and donkey pen. We will learn about caring for these bigger farm friends, and then after lunch, we will create equine art of our own.

**AAH SMILE FARM**  
**Saturday, July 31st**  
Adults Ages 16+  
**Sunday, August 1st**  
Kids/Teens/Young Adults  
Ages 5-22

## SAN JOSE—WAY BACK WHEN

It might be Silicon Valley now, but it was orchards and farms for centuries in the past. San Jose History Park will take us back, so we can explore how life was for our South Bay ancestors. We will see how they worked and how they played. We will have our lunch on the picnic tables and then create some leather art of our own to take home.

**SAN JOSE HISTORY PARK**  
**Saturday, August 7th**  
Kids/Teens/Young Adults  
Ages 5-22  
**Sunday, August 8th**  
Adults Ages 16+

## JAPAN—EMPIRE OF THE SUN

We will explore all about this beautiful country in the Pacific. After making our way through the gardens and the beautiful exhibits, we will rest and have our lunch. Then we will practice the art of origami and learn some common Japanese words.

**JAPANESE FRIENDSHIP GARDENS**  
**Saturday, August 14th**  
Adults Ages 16+  
**Sunday, August 15th**  
Kids/Teens/Young Adults  
Ages 5-22

## ANIMALS SCIENCE AND DISCOVERY

Animals fit into so many categories of science and pose so many questions that we humans can't even answer yet. Let's look at science on the farm, have lunch, and do some science experiments of our own.

**AAH SMILE FARM**  
**Saturday, August 21st**  
Kids/Teens/Young Adults  
Ages 5-22  
**Sunday, August 22nd**  
Adults Ages 16+
