

## YOUTH & TEEN OUTDOOR DAY CAMP

When you come to Camp Via West, you're guaranteed to make new friends, enjoy the great outdoors, and have tons of fun! Located on 13.5 stunning acres in the redwoods of the Cupertino foothills, Camp Via West is full of experiences for children and teens, including swimming, arts & crafts, sports & games, guided hikes, creek exploration, gardening, cooking, and more. All activities are supervised by attentive, energetic, and well-trained staff who help campers stretch their imaginations, learn new skills, and help make lifetime memories! Our low camper to staff ratio ensures that everyone has a safe and fun camp experience. Lunch is provided, and we are a peanut/tree nut free campus.
